**DEFENDANT DHIANDRA OLSON SPECIAL APPEARANCE AND  
MOTION TO STRIKE ATTEMPTED SERVICE OF PROCESS**

Defendant, Dhiandra Olson, by her counsel, makes this special appearance to contest and strike attempted Service of Process. The Summons Complaint were served on Defendant Olson's mother at her parent's home in Maryland, and Defendant Olson does not and has not for years lived there. As such, the attempted Service of Process was improper and should be struck.

Defendant Olson also notes that she was never the Employer of Plaintiffs, she had no financial interest in the restaurant Employer, she was not a director nor an officer of the restaurant Employer, and was herself a mere employee of the Employer. Indeed, Defendant Olson last two paychecks, 4 weeks of pay, bounced and she never received her pay for her last 4 weeks of work. As such Defendant Olson is not a proper Defendant in this action.

Respectfully submitted,

DHIANDRA OLSON,

By
